Russian Czars, Ivan the Great, Martin Luther and the Medici's of Italy populate this engaging historical timeline! Students will complete geographical studies, a year-long timeline and thorough research of events. Classic literature such as The Three Musketeers and Pilgrims Progress will clarify cultural norms of the Renaissance and early colonialism. Survey of the Old Testament will help students better understand Scripture and deepen their faith. Composition skills expand to include quality essays and papers. Logic and a thorough study of grammar and vocabulary create an ACT/SAT preparatory course of study.
